

# REAL MASHED POTATOES

Exceptional taste  
you'll be proud to serve.

# Meet the sides that will set you apart.

These mashed potatoes are so satisfyingly rich and smooth that guests will assume you've been peeling, boiling, and whipping up your secret recipe all day long—but not even raw potatoes mix up this perfectly, batch after batch.

Discover the from-scratch flavor you can absolutely count on.

- **Preferred by patrons.**

Our one-touch processing retains every last bit of original potato goodness so you can serve up steaming plates of real potatoes your guests will absolutely love—with a consistent quality that outperforms fresh.

- **Seriously smooth. Perfectly seasoned.**

Whether you want classic (and irresistible) buttered-and-salted mashed potatoes or a savory twist like roasted garlic or garden herbs, you'll get perfect flavor and a creamy-smooth texture with every single batch.

- **Fast, easy, and very forgiving.**

Count on always-exceptional potatoes no matter who prepares them. Just add water and stir (water temp can range anywhere from hot to boiling). With prep that flexible, Idahoan REAL® potatoes can't be made "wrong"—they always taste absolutely right.

- **Longer hold times.**

Count on just-mashed flavor and texture for up to three hours on a steam table. Compared with other mashed potato sides, that's an extra hour or so of delighted customers.

- **Year-round perfection.**

Eliminate seasonal shifts in quality with potatoes that have been captured at the peak of maturity and deliciousness. Every serving tastes as scrumptious as the last.

- **Always 100% Idaho® potatoes.**

When it comes to potatoes, we give you nothing but the best—and your guests will notice. Trust Idahoan® for the fresh potato quality and outstanding flavor that keeps patrons coming back for more.
