

# FRESH CUT HASH BROWNS

It doesn't get better than this.

Perfect texture.

Unbeatable flavor.

Large, consistent cuts.

# Because flavor, texture and color matter. A lot.

If you've ever found yourself with a batch of hash browns that won't even brown, aren't crispy, fall to pieces, or taste less than savory—you're in for some great news. Idahoan® hash browns always prep exactly the way you want them and taste as if you made them from scratch.

- **Field-fresh flavor.**

We peel, cut, and lightly season these potatoes at the peak of maturity to lock in the perfect taste and texture, and we touch them only once so you always get whole clean-cut shreds. Plus, unlike frozen hash browns, there's nothing but pure potato goodness.

- **Light and airy texture.**

Unlike other dehydrated products, when you add hot water to Idahoan® hash browns, every drop is absorbed—resulting in better, fatter, thicker shreds that feel fresh, authentic and irresistible on the palate.

- **Super-simple prep.**

With the option of a 10-minute, 30-minute, or overnight refresh, these hash browns are ready when you are. No thawing, chopping or shredding—just add hot water.

- **Efficient storage.**

Our shelf-stable packaging frees up valuable freezer space—and eliminates the waste from raw product gone bad.

- **Always 100% Idaho® potatoes.**

When it comes to potatoes, we give you nothing but the best—and your guests are sure to notice. Trust Idahoan for the fresh potato quality and outstanding flavor and texture your patrons expect.
